O R D E R:

The Government approve the proposal of the Surgeon General that the icreased grants sanctioned to the private medical institutions shown in Appendix 'A' to this order, on account of the rise in prices and the special grants sanctioned to the private medical institutions detailed in 'Appendix B' owing to the stoppage of remittances from abraod may be continued for 1949-50.

2. The Surgeon General is requested to issue a warning to the management of the institutions referred to the in the Appendices that they should try to build up their resources to the pre-war level and that they should not continue to expect from Government the same measure of financial assistance as was given to them during the war-period and as has been continued since then, year after year.
